In addition, no person or entity may act on behalf of any municipality or in performance of a municipal program, or other act funded by a municipality, to perform an act in violation of this subsection.
- B. No hotel, motel or owner of a multiple dwelling in Onondaga County is permitted to contract or otherwise engage in business with any other municipality other than the County of Onondaga (an "external municipality") for the purpose of providing housing or accommodations for migrants or asylum seekers without a license granted by the County. This prohibition extends to any person or entity participating in an external municipality's government program, or a contract or service funded by an external municipality or acting on behalf of any external municipality.
 1. Licenses will be granted only by the Commissioner of Health of the Onondaga County Health Department, County Executive, or designee ("Commissioner, County Executive or designee"). The Commissioner, County Executive or designee may enlist the services of any other agency within the executive branch of the County government to perform the duties necessary to effect this provision.
 2. Licenses will only be granted where, to the satisfaction of the Commissioner, County Executive or designee, both the applicant and the foreign municipality demonstrate that:

- a. The contract provides that the migrants or asylum seekers will be returned to the foreign municipality from which they arrived or another location outside the County, within thirty (30) days, subject to modification by the County Executive; and
 - b. The foreign municipality demonstrates to the County that it has sufficient funding to sustain the needs of the migrants or asylum seekers during the time of their stay; and
 - c. The foreign municipality agrees to assume any costs expended by any municipality in the County ("domestic municipalities") including the County itself, for the care, welfare, law enforcement interactions, or other expenses related to municipal interaction with the migrants or asylum seekers upon demand; and
 - d. The applicant and the foreign municipality each have a performance bond for the conditions set by the license in the amount of \$2,000 per migrant or asylum seeker being housed or boarded at the applicant's facility.
3. The conditions described in this section will not apply to any contract directly between the foreign municipality and the County.
 4. License renewal will be at the sole discretion of the Commissioner, County Executive or designee, after consideration of the purpose and intent of the Emergency Proclamation that instigated this Emergency Order.
