

NOTE: All applications must be accompanied by plans, specifications and completed form BSP-5 (appropriate portions). The submission must conform to previously approved engineering report describing the system in detail. The plans must be stamped with the designing engineer's seal and must be of sufficient clarity and eligibility to permit satisfactory microfilming. Only white prints will be accepted because of the difficulty microfilming of blueprints. There must be a blank area, at least 4" by 7", in the lower right corner of each sheet so that the approval stamp may be placed on the face of the plans.

Any deviation from the department's standards for wastewater collection and treatment facilities must be explained in detail.

APPROVED PLANS ARE RETURNED TO APPLICANT ENGINEER

If the application is signed by a person other than the applicant shown in Item 1, the application must be accompanied by a letter of authorization., Failure to comply with this provision may be grounds for the rejection of any submission.

I hereby affirm under penalty of perjury that information provided on this form is true to the best of my knowledge and belief. False statements made herein are punishable as a Class A misdemeanor pursuant to Section 210.45 of the Penal Law.
